Niles Notes

Miss Grace Pardee of Watsonville, now assistant nurse at the German Hospital in San Francisco, was a guest of Miss Florence Sharpe the first of the week.

Mrs. Edward Ellsworth returned the first of the week from a visit to her sister, Mrs. Will Cole of Vacaville.

Mrs. Carrie M. Ward of Berkeley visited with Miss De Cora at Belvoir on Monday and Tuesday.

Mrs. Harry Green with her twin sons are at Newark for a few weeks with Mrs. Green's father and sister.

Mrs. Charles Hatch of Alameda and her little son have been spending the week with Mrs. Harry Tyson, Mrs. Hatch's sister.

Mr. H. A. Mayhew went to Pacific Grove on Monday last for a visit with Mr. and Mrs. J. C. Shinn, who have been occupying a cottage for a couple of weeks on Ocean avenue at the Grove. Mr. Mayhew returned on Wednesday.

Dr. McKown and family have moved into the cottage owned by Mrs. Chalmers, lately vacated by Dr. Morrison.

Mrs. Schofield and Mrs. Mayhew will go to Pacific Grove the first of next week for a stay of several days at the Shinn cottage, and will return with Mr. Shinn in his automobile.

Mr. and Mrs. Harry Tyson and children expect to make their home in Oakland during the short days of the winter months.

Mrs. J. E. Wamsley of Irvington spent Thursday with friends in Niles.

The Union Five Hundred Club will meet next Monday with Mrs. W. H. Tyson, instead of with Mrs. Hudson as first appointed.

Mrs. G. C. Hudson is visiting this week with her daughters in Alameda and Berkeley.

Mrs. Harry Chace, nee Lottie Scott, who was injured in an automobile accident in Golden Gate Park in San Francisco last week, is not recovering as well as hoped for and was taken on Thursday of this week to a hospital for treatment, there being grave fears among members of the family of internal injuries. Mrs. Scott, Mrs. Chace's mother, is with her.

Mrs. A. B. Ellsworth spent part of the week with her daughters in Oakland.

Trinity Guild held its regular meeting this week with Mrs. W. H. Tyson on Wednesday afternoon. There were fourteen ladies present. The members decided, after some discussion, to postpone the afternoon reception they had planned on giving for the benefit of the Guild to the early spring time. The hostess served hot rolls, coffee and cakes before adjournment. The next meeting will follow in two weeks with Mrs. Olive Bonner.

Mrs. Belle Abernethy, well known by the Niles people, has assumed charge of Judge Tilden's home. Mrs. Abernethy has been living for some time with her brother in Sebastopol.

Miss Emelita Mayhew is still in Paris studying where she expects to remain until December.

The Reading Club will not meet next Monday at the regular time appointed but will be postponed one week on account of Mrs. Mayhew's absence.

Mr. and Mrs. Roland have returned from Paso Robles where they have been for the benefit of Mr. Roland's health. Mr. Roland is somewhat improved.

Mr. A. S. Christiansen has moved from the California Nursery into the J. B. Barnard cottage on Second street.

Mrs. A. Easterday spent Friday in the City.

C. F. Schnell, who for the past four months has been the foreman in the Press office leaves on Monday for Missouri where he expects to spend the winter. The Press regrets to lose him and wishes him every success in his old home. He certainly deserves it.

A number of Washington Township people have become interested in the land offered for sale at Patterson. A party of prospective investors under the guidance of J. E. Jacobus will make a trip to that section tomorrow.

Mr. H. McWhinney of Santa Cruz was a visitor in Niles on Tuesday of this week, attending to business matters.

Mrs. G. Hudson and Mrs. C. Runkel were guests of Miss Shinn at the Collegiate Alumni banquet given at the Scottish Rite Temple last Saturday.

Miss Dorothy Sager of Alvarado was a week-end guest at the Catterlin home.

The roadmaster, Mr. C. Overacker, is having Maine street well graveled which condition is much appreciated as the rainy season approaches.

The ever enterprising I. O. O. F. hall association is having some much needed improvements made on the hall property. The dining room is being lathed and plastered, and the room will be finished. N. M. Decker is doing the work.

High School Notes

The rugby game last Saturday on the local field resulted in a victory for Centerville over Hayward high school team with a score of 5 to 0.

In the first half Hayward kicked off to Centerville. The ball was in Centerville territory for a short time, when it was rushed to within the Hayward 25-yard line. After a 5-yard scrum and a series of rushes by the Centerville forwards, the ball was dribbled over the line and Buchardi fell on it for a try. Rogers converted for Centerville from a very difficult angle, making the score 5 to 0 in Centerville's favor.

After Hayward kicked off again, the ball was kept pretty much in neutral territory, with several good passing rushes by the forwards and backs of both teams.

The half ended with the ball in neutral territory.

In the second half Centerville kicked off to Hayward. The ball was kept in Hayward territory with a number of scrums, in which Centerville secured the ball and started passing rushes, but several times a score was prevented by over-anxiety to score. Toward the end of the game after a few penalty kicks given to Hayward, play was brought to the center of the field. In the last five minutes Hayward made a passing rush which took the ball to Centerville's one-yard line, where a series of scrums took place. Time was taken twice, Bonner of Centerville being attacked with cramps in his legs. Logan replaced him the second time, and Dassel went in at wing. A few minutes later the ball was worked into touch on the five-yard line and the game ended with the score still 5 to 0.

The touch-finding by Rogers and long runs by Orpin, Meyers and George featured the second half.

The teams lined up as follows:

Hayward - Forwards, McCullom and King, front rank, Baker and Leal, side rank, Lee, lock, Thurman (Cooper) and Manning, rear rank; Backs, Dillon, half; A. Jones, inside 5-8; Capt. Long, outside 5-8; K. Jones, center 3-4; Toon, left wing 3-4; Fish (Thurman) right wing 3-4; Cooper (Fish) fullback; Chan, wing forward.

Centerville - Forwards, Murphy and Buchardi, front rank, Wilkinson and Bonner (Logan), side rank, Meyers, lock, George and Hawley, rear rank; Backs, Capt. Jacobus, half; Bunting, inside 5-8; Bettencourt, outside 5-8; Orpin, center 3-4; Runkel, left wing 3-4; Logan (Dassel), right wing 3-4; Rogers, fullback; Baldwin, wing forward.

ORDER OF EASTERN STAR TO ENTERTAIN

Orient Chapter, Order of the Eastern Star, will entertain in Irvington on Saturday evening, November 11. The committee is at work planning a most enjoyable time for all who attend. Mrs. Edward P. Werner, Mrs. Lida Babb, Mrs. Gene Babb and Mrs. Morris Brewer are on the committee in charge of the affair. One of the features of the evening will be the Clam Chowder prepared by Mr. and Mrs. H. E. Basler of Dumbarton Point.

The Mass Meeting at Centerville a Decided Success

The meeting held at Centerville last Monday evening to discuss the water supply question of the township and to take action with reference to San Francisco's Hetchy supply was a decided success. Although imperfectly advertised and called in a hurry a thoroughly representative meeting of the citizens of Washington Township assembled. In point of interest and importance and educational value the meeting will prove a history maker.

The meeting was called to order by C. Runkel who stated the objects of the meeting and called for the election of a chairman. Wm. D. Patterson was elected chairman and introduced as the speaker of the evening, J. H. Dockweiler of San Francisco. Mr. Dockweiler is the consulting engineer for the city of San Francisco and has in charge the preparation of the data on which San Francisco's claim to the Hetchy water supply will be based in the hearing before the Secretary of the Interior. Mr. Dockweiler proved a very entertaining speaker and thoroughly conversant with every phase of the water supply question as affecting San Francisco and the Bay Cities. After giving a history of the movement to acquire the Sierra Water supply the speaker presented a most convincing argument in favor of San Francisco's claim upon Hetchy. He detailed the scheme of the proposed municipal water district to embrace the bay section and showed the advantage to both the bay cities and the section adjoining the proposed district. He advocated the purchase of the Spring Valley Water Co.'s properties by San Francisco and the People's Water Co. by Oakland and the merging of the two cities together with the adjoining bay cities and towns into one municipal water district in accordance with the law passed by the state legislature at the session of 1909. The importance of bringing in the Hetchy supply to meet the increasing population about the bay and to prevent further exploitation and devastation of the Alameda creek water shed and the Niles cone were convincingly presented. The splendid future of the Bay section was portrayed in a masterly manner and the possibilities of both the urban and the agricultural section when an adequate water supply was made available, made a profound impression upon the audience. At the close of his speech many questions bearing upon the situation were asked and answered by the speaker evidently to the entire satisfaction of the audience. The presentation by Mr. Dockweiler was replete with detail which demonstrated his thorough knowledge of the subject and also a disposition to treat the question from a broad and impartial standpoint.

Before the meeting adjourned the following resolutions were presented by C. Runkel and were unanimously adopted: Whereas, The rapid growth of population in the San Francisco Bay section demands an ever increasing water supply which at present is being

developed in the sections immediately adjoining the cities of San Francisco and Oakland, and

Whereas, The Spring Valley Water Co. is now diverting 16 million gallons of water daily from the Alameda Creek watershed, the People's Water Co. 8 million gallons daily from the gravel beds of Washington Township, and the Bay Cities Water Co. is now seeking to develop a similar supply from these same gravel beds, and all of these companies must of necessity constantly increase their supply to meet the demands made upon them, and

Whereas, The diversion and utilization of such a constantly increasing volume of water seriously threatens the future prosperity of our section, by absorbing our only available water supply in our local gravel beds and by the impounding of the flood waters which feed this supply, therefore, be it

Resolved, That we view with the gravest anxiety the situation that is being forced upon us, and earnestly pray that every effort be made by San Francisco, Oakland and the other Bay Cities to hasten the time when they shall draw their water supply from the Sierra Nevada Mountains to the end that the splendid resources of our Township may be conserved and devoted to the uses which nature has ordained, and be it further

Resolved, That we petition the Federal Government to speedily grant to the city of San Francisco the Hetchy water supply that the further diversion of our water supply with the consequent devastation to our township and county may be stopped.

A vote of thanks was tendered Mr. Dockweiler for his courtesy in coming here to address the meeting, and was adopted with hearty unanimity. The meeting was declared by all who attended it to be one of the most helpful and instructive ever held in the township, dealing as it did with a question of such vital importance to this section. One of the features of the evening was the intense interest shown and the hearty approval given to the utterance of the speaker that the proper solution of the question must be such as will conserve and promote the agricultural interests of this most promising section. There is no mistaking the temper of our people to preserve at all hazards the water supply still remaining.

The resolutions adopted at the meeting will be incorporated in the answer to be forwarded by the city attorney of San Francisco to the Secretary of the Interior, showing why the Hetchy supply is necessary to the future needs of the bay section.

It was hoped to have Wilbur Walker, Secretary of the Merchants' Exchange of Oakland, present to address the meeting, but owing to his absence at the Omaha Land Show, he was unable to be present.

The Press congratulates the people of the township on the lively interest shown in the meeting and had it been more thoroughly advertised there is no doubt that a much larger audience would have been present.

The address of Mr. Dockweiler has served to clear away many points upon which our people desired to be enlightened and has undoubtedly laid the foundation for a much more intelligent and effective solution of the vexed problem.

Mr. Heitmuller, also, is well known, both in the commercial and social world.

The wedding will take place in the early spring.

Alvarado

Mrs. M. Edwards returned to Mrs. E. Beebe on Tuesday.

Mrs. L. Amlin, Mrs. C. H. Dewey's mother, left for her home in Los Angeles on Tuesday.

Mr. W. Humphreys spent Sunday with the J. H. Ralphs.

Mrs. J. H. Ralph has little Rhoda Postlethwaite with her for a week or so.

Mrs. E. M. Tainton has her little nephew John Martin visiting with her.

Mrs. Wm. Richmond's children are with Mrs. E. A. Richmond Sr.

Mr. C. H. Schoff is working on several oil burners for our township people.

Mr. J. Atkinson was a visitor in Alvarado on Monday of this week.

Mr. C. H. Welle has experienced men with him this year and they have broken all records in getting out sugar.

Mrs. E. A. Richmond Sr. left for Richmond this morning to see her son, Mr. Wm. Richmond who is ill with typhoid fever.

Mr. Ed Urfer has opened up the old corner hotel, which has been cleaned and refurnished throughout and is now a first class hostelry.

Decoto

The farmers in this section are forwarding large shipments of tomatoes. The past few weeks have been very favorable ones and with a few more weeks of such weather one of the largest tomato crops in years will have been sent out. Decoto is easily one of the heaviest shipping points for truck products in Alameda county.

During the past two weeks the Oakland Brick Paving Co. has been shipping quite a number of carloads of excellent sewer brick. Each kiln that is being burned seems to improve in quality, and the management is greatly encouraged. The kiln capacity of the plant has been considerably increased of late.

George W. Frick, County Superintendent of Schools, accompanied by Joseph Dias, principal of the Centerville school, visited the Decoto school Thursday. During his visit the pupils of the upper grades gave the Superintendent an exhibition game of volley ball, which is quite popular, and has been introduced in both the Decoto and Centerville schools by Miss Edith Jackson, physical culture teacher.

Charles Nesmith and family have moved to Oakland where Mr. Nesmith has secured employment as a plasterer. Mr. Nesmith's departure will be regretted by the local Chamber of Commerce, of which he has been secretary for the past few months.

P. S. Johnson, station agent for the S. P. has been obliged to give up house-keeping for a while owing to the illness of his wife, who is at present in a hospital in San Francisco. Her speedy recovery is anxiously hoped for by the many friends of both Mr. and Mrs. Johnson.

Again has the Death Angel entered the Masonic Home and the spirit of Mrs. P. Brown has winged its flight. The deceased was the widow of the late Capt. P. Brown, who was connected for over fifteen years with the tug boat service. Mrs. Brown was a past matron of the Order of Eastern Star. For the first time in the history of the Home the beautiful services of that order were conducted over the remains of the late sister by the officers of Mission Chapter No. 155 of San Francisco. There were a large number of old friends present, many of whom were from a long distance, who came to attend these last sad rites and to say farewell until that blessed reunion where death enters not.

Mission San Jose

Mr. and Mrs. Souza have returned from their trip to Nevada.

Dr. S. A. Nichols spent Tuesday in San Francisco.

Mr. Rose and daughter Lucy are spending several days with Sam Raff's relatives.

Mrs. Madera went to San Jose on Tuesday.

Miss M. Gilmartin of San Francisco is visiting at the Foster home.

Mrs. Leal entertained her daughter during the week.

The Misses Gallegos are enjoying a visit in San Francisco.

All Saints and All Souls were observed with religious services in St. Joseph's Church on Wednesday and Thursday.

Mr. Denike of San Jose made a business trip to town one day during the week.

Mr. and Mrs. Dias were recent visitors in town.

Mrs. M. Driscoll was in town on Sunday.

Miss Mamie Gilmartin of San Francisco has been called here to her aunt Mrs. Foster who is quite ill.

Miss Annie Driscoll left on Monday for Paraiso Springs for a two weeks stay.

Mrs. M. Scott of Petaluma was the guest of Mrs. Joe Mendoza while on a visit here with her sister Mrs. H. Ladiges.

Mr. W. Cushing and Miss Jackson of Irvington drove to the Mission Saturday.

Rev. Father Mackey returned home last week after a short visit with his brother.

Mr. and Mrs. Joe Mendoza drove to Pleasanton Monday.

WANTED - Trained Young Men and young women, too. The business world is crying out for young people who can step into lucrative, responsible positions. We have placed hundreds of students in the past year and have many fine places still open for graduates as soon as we can get them ready for the work. Why don't you prepare for one of them? Write to Heald's Business College, San Jose

The Ladies Aid of the Presbyterian church met at the home of Mrs. McCarthy on Thursday.

Mrs. E. A. Richmond Jr. spent Monday of this week in the city.

The Queens of Avilon next Wednesday afternoon at the Presbyterian Church.

The spooks of Halloween have with Centerville, an amount of debris on the property, cutting electric wires, throwing dumbbells out of doors, grammar school, demolishing on the goal posts on the high school football field, besides performing sundry pranks with property of the townspeople.

Joseph Gorge, recently returned from the East, was given a reception at his home last Sunday by about twenty-five Centerville friends.

The delivery horse of F. T. Hawes escaped without a driver Tuesday afternoon and started to run away. They bumped into the railing around the station lawn and broke the pipe. They ran on down the Newark road and were caught at the Mowry's Landing school house. No serious damage was done.

Mrs. J. Jarvis and little son Joseph Russel have been week-end guests at the home of Mrs. Jarvis' mother, Mrs. J. Peterson.

The members of the Indian section of the Country Club have been gathering articles to fill a second box for the missionary workers among the Northern California Indians. Mrs. Bunting, who has charge of packing and shipping the box, will be glad to receive contributions from others besides members of the section.

The St. James Guild will meet with Mrs. L. Eggers on Wednesday Nov. 8. A great deal of work still remains to be done to finish standing orders. Many orders for Xmas gifts are being received.

On November 24 the United Artists plan a pleasant time as they install officers for the ensuing term. The social committee have it under way. The following are the officers elected: Past Master Artisan, Mrs. M. Lewis; Master, Mrs. Turner; Secretary, Mrs. Brown; Inspector, Miss Little; Supt. Mrs. Mickle; Sr. Con., Mrs. Mathiesen; Jr. Con., Miss Martin; Treasurer, Mr. Hawes; Master of Ceremonies, S. F. Brown; Instructor, Mrs. Salz.

Orient Chapter of the O. E. S. had a special meeting Wednesday evening for initiation purposes. It was expected that the San Leandro Chapter would have been entertained on that occasion, and it was a great disappointment to the members of Orient Chapter that the expected guests were unable to be present. A very appetizing repast was served after the business of the evening was over and after an hour spent in social converse the members separated to meet in regular session on next Wednesday evening when officers for the ensuing year will be elected.

Miss Aileen Mickle's Halloween party on Saturday night last was a jolly one. About sixteen of her High school friends were the guests. After a merry time, dainty refreshments were served and good nights were reluctantly said.

Mrs. Broughton of Berkeley visited over the week-end with Mrs. C. S. Haley of Newark.

ATTEMPTED HOLD-UP

NEAR NILES WEDNESDAY

A. Machado of Warm Springs received a bad scare Wednesday evening about seven o'clock while driving toward Niles. Near the Overacker crossing two men attempted to hold him up. According to Machado's account he was men with a rope and a horse. The other man at him. Machado informed Corbin who immediately got to land the suspect.

ing Valley Water Co. now
ver 600 square miles of the
heds of Alameda Creek, besides
areas of valley land about
santon and scattered areas in
hington township. It also owns
riparian water rights along the
reek from Niles to the bay. At Su-
ol and Pleasanton it has filtration
galleries where it gathers the under-
ground water supply. It is now tak-
ing 16 million gallons of water a day
and proposes by means of a series
of dams to capture the flood waters
of the upper 300 square miles of its
water shed and thus increase its
daily output to close upon 75 million
gallons daily. The sites of its pro-
posed dams are on Calveras, San An-
tonio and the Arroyo del Valle creeks.
The Spring Valley has what is con-
sidered the best location on the Niles
cone for pumping purposes should it
choose to add to its supply in this
way.

THE PEOPLE'S WATER CO.

The People's Water Co. has its
pumping station at Alvarado, where
it is now drawing eight million gal-
lons of water daily. During the past
two years this supply has been in-
creased at least 2 million gallons dai-
ly. In a recent report President Hav-
ens of this company intimates that
this supply can be further increased.

THE BAY CITIES

The Bay Cities Water Co. has re-
cently acquired 2,200 acres of land
at Newark, including land as far up
as the Newark pavilion. A well is
now being sunk at Jarvis Landing
and if the conditions are favorable
the company will undoubtedly develop
as large a supply as possible. That
there is danger of their being able
to do so is shown by the fact that
on the Bart Brown place near New-
ark two wells have recently been
sunk, in one of which an artesian
flow has been obtained and in the
other the water has risen to within
a few inches of the surface.

THE DANGER THAT THREATENS

Competent engineers have estimat-
ed the capacity of the Niles Cone,
which, in other words, means the

gravel beds underlying almost the
entire plain of the township as equal
to 15 million gallons daily. This sup-
ply is fed by the waters of Alameda
Creek. With Spring Valley control-
ling the entire supply that feeds
this natural underground storage res-
ervoir, it is natural to conclude that
its capacity will be materially re-
duced. And with the People's Water
Co. diverting 8 millions of gallons
daily to Oakland, and the Bay Cities
preparing to take the rest, the
alarming question arises what will
happen to the rest of our people.
This is the situation that now con-
fronts our people. If these various
private corporations are permitted to
carry out their various plans, what
hope is there that a sufficient sup-
ply of water shall be left to or peo-
ple to carry on the intensive cultiva-
tion of our soil which our favorable
climate, soil conditions and nearness
to a great market shall make possi-
ble? There is every reason to ex-
pect a rapid increase in the demand
for water for the Bay Cities. The
cheapest supply is the near-by sup-
ply and the corporations who are
seeking to make money for their
stockholders can not be blamed if
they take advantage of the situation
and develop these near-by supplies.

THE SIERRA SUPPLY

With these conditions confronting
us it is but natural that our people
should see some small hope for the
future in the effort of San Francis-
co to secure the Hetch Hetchy sup-
ply. With this supply brought in it
will be possible for our people to es-
cape the fate that now threatens
them. San Francisco's fight is even
more our fight. It is apparently our
only hope.

It would seem that with the serious
danger threatening the future pros-
perity of our entire supervisorial dis-
trict that our County Board of Su-
pervisors would make some effort to
save our district from its impending
doom. What is the use of spend-
ing thousands of dollars to advertise
the agricultural resources of our
county, when three entire townships
are being turned into one vast water
preserve? For whom are the fine
bridges and boulevards to be built,
if the growth of the section is to
be hampered and its prosperity de-
stroyed?

Shall we longer permit our public
officials to say to us, "Well, what
are you going to do about it?" Isn't
it about time to ask the District At-
torney of Alameda County and the
Board of Supervisors, Gentlemen,
what are you going to do about it?

Associated Chambers of Commerce Meet

The regular meeting of the Asso-
ciated Chambers of Commerce of
Washington Township was held Wed-
nesday evening at Niles. It proved
to be one of the most enthusiastic
meetings yet held by the central
body. Centerville, Niles, Decoto, Ir-
vington and Mission San Jose repre-
sentatives were present. The entire
meeting was characterized by a spirit
of harmony and unity that augurs
well for the future of the body and
promises to advance the spirit of
union in the various towns as no other
organization can do. The domi-
nant idea of the meeting was the in-
crement of Washington Township.
The committee on telephone was
instructed to confer again with the
telephone officials regarding the open-
ing of a central township office, and
having a day and night service.
The advertising committee was in-
structed to expedite the getting out
of literature and will hold a meeting
next Wednesday evening at Center-

ville. The greater part of the even-
ing's discussion was given over to
the matter of suitable literature ad-
vertising the Township.

I. H. Whitfield of Mission San Jose
was unanimously elected vice-presi-
dent, in place of A. T. Biddle, whose
position became vacant owing to
Newark's failure to ratify the con-
stitution of the Associated Chambers.
At the conclusion of the meeting
the representatives were entertained
at a luncheon at the Niles Cafe by
the committee of the Niles Chamber
of Commerce presided over by J. B.
Barnard and J. E. Jacobus. An hour
or more was given over the speeches
by the various delegates in which the
booster spirit was strongly in evi-
dence.

The next meeting will be held in
Centerville on the first Wednesday in
December.

The meeting Wednesday evening
served to show that the central body
has taken a firm hold and come to
stay and do good.

Miss M. E. DeCora at Belvoir en-
tertained at a charming card party
on Saturday, October 21. Twenty-five
invitations were issued, nearly all the
guests bidden being present. The
rooms were brightened with bowls
of cut flowers. There were four ta-
bles of card players, who enjoyed the
game of 500 for the afternoon, and
later chatted over the delicate re-
freshments served by the hostess.
Mrs. Will Arnold and Mrs. C. D.

Bates were awarded the prizes for
highest scores and Mrs. Chas Arnold
received the consolation prize. Be-
sides the ladies from Niles, Mrs. C.
D. Bates, Miss Ada Bates, Mrs. M.
Arnold, Mrs. Will Arnold and Mrs.
Charles Arnold, all of Oakland, were
among those present. The Misses
Florence and Marie Sharpe assisted
Miss DeCora in serving her guests.

The Centerville Card Club held its
first meeting for the winter season
last Monday afternoon with Mrs. F.
O. Bunting. The club numbers four

tables of players, some being ab-
sent at the first meeting. Mrs. Ja-
cobus and Mrs. E. B. Tyson, the two
members from Niles, received the
club gifts for the highest scores and
a social half-hour over the tea
cups" followed. The next meeting
will be held in two weeks with Mrs.
C. Hatch of Centerville.

The November meeting of the
Country Club falls on Tuesday, No-
vember 7th at Mrs. Bunting's home.
Mrs. Geo. W. Wright will give the
topic, "The Greek Woman," Mrs. J.

ment. There were
spoon contest, duck-
eating apples, suspen-
ceiling and allsorts of Halloween
until the guests were invited by
young hostess into the dining room
to partake of delicious refreshments.
The long table presented a very in-
viting appearance, laden as it was
with such tempting eatables as brown
bread sandwiches, delicious home
made ginger cake, salted almonds,
home made candy, apples and cider
and coffee.

At each place were unique cards,
upon which were original bits of
verse. A few words from the
young hostess explained that
each one would find his fortune hid-
den in an envelope in the place
designated by the verse and that the
envelope had on it a stamp corre-
sponding with the one on the card.
All was merriment and even the idea
of finding one's fortune did not allure
the young people from the tempting
refreshments. After a time, however,
the hunt began. In every room they
soured, in places likely and unlik-
ely, and all were rewarded with their
future explained in original verse.
And it was strange how well the ten-
dency of each one was known for the
fortunes were appropriate.

Before the young people left for
home, they gathered about the table
and indulged in a telegram contest.
It was decided by the judge that Miss
Jeanette had shown the greatest skill
among the girls, but a second choice
was necessary and Miss Martha
Runkel was the prize-winner among
the girls, and Roy Pearce among the
boys, each receiving a box of candy.
Edward Ellsworth and Miss Audrey
Orpin received the consolation gifts.
Miss Janette was assisted in receiv-
ing and entertaining by Mrs. Peterson
her mother, and Mrs. J. Jarvis, her
sister, of Berkeley.

At 11:30 the guests left for home,
all assuring their hostess of a hap-
py time enjoyed.

W. W. Hirsch is preparing his exhibit of poultry for the Stockton Poultry Show next week.

Driscoll Brothers of the Niles strawberry farm were in Irvington this week seeking a location for additional land for their strawberry business.

Mrs. C. A. Lutz visited in the city over Saturday and Sunday.

Miss Mary Lutz, who is out with a musical company from Chicago, is meeting with great success as a violinist.

The Halloween entertainment and social given by the Ladies Aid Society last Tuesday evening proved a very enjoyable and successful affair. The sum of \$25 was netted by the ladies. The ladies of Irvington enjoy an enviable reputation as entertainers and success invariably crowns their efforts.

Mrs. S. Stivers and daughter, Lilian, returned Tuesday from a visit of several days in the city.

Miss Laura Stribling was in the city Friday.

H. Patterson, formerly assistant agent at Irvington, is away on a two weeks' vacation which he is enjoying with relatives at Santa Ana.

Ed. Hirsch has joined the rapidly increasing number of autoists in this section, having received his new auto this week.

A dressing of gravel in front of the Irvington public school this week is a decided improvement to that part of town.

SCHOOL SUPPLY DEALER FORFEITS RIGHT

The right of school supply dealer E. C. Stewart of Stockton to buy text books from the state has been declared forfeit by the Superintendent of Public Instruction at Sacramento.

Complaint came from Mono County that Stewart was demanding a higher price for books than that fixed by law. In the remote mountain counties, where there are few local dealers the pupils must often order by mail. Investigation showed that Stewart has been active in soliciting mail orders in such localities, charging the full postpaid price to pupils, with an extra postage added for good measure. By this means he was charging the pupils postage twice, to the increase of his profits.

But this is a clear violation of the law, which is intended to make sure that all children, wherever they may live, shall get their text books at a low and uniform price fixed according to law. Further than this, it is a violation of the affidavit sworn to by every dealer before he can purchase books from the state. The law prescribes that violation of this affidavit shall result in the revocation of the dealer's right to buy books from the state. This is the action taken by Superintendent Hyatt in Stewart's case. Stewart is well known as a large dealer in school supplies, who sends agents among the schools of Central and Northern California.

INCUBATION SECRETS

Some wonderful discoveries have been recently made in this field, the most important being a new regulator for automatically controlling Heat, Moisture and Ventilation.

The George H. Lee Company of 225 West Second St., Los Angeles, Cal., has just published a new incubator book that covers all of these new ideas fully, and which will be sent free to any interested person on request.

Ride Don't walk

When you can buy new high-grade bicycles at \$25 and \$30—why walk?

The Cyrus at \$25

is a remarkable wheel. Both ladies' and gentlemen's models.

The Crown at \$30

is another wheel that is attracting much attention. Both of these wheels are made with genuine Fauberhangers and cones, guaranteed for the life of the bicycle.
